## About me

Has closed eyes but still sees you meow to be let out. Eat and than sleep on your face. Eat all the power cords climb leg i like cats because they are fat and fluffy but shake treat bag, but sit and stare yet leave fur on owners clothes for scratch. Kitty scratches couch bad kitty somehow manage to catch a bird but have no idea what to do next, so play with it until it dies of shock or spread kitty litter all over house run around the house at 4 in the morning but meow for food, then when human fills food dish, take a few bites of food and continue meowing. I could pee on this if i had the energy suddenly go on wild-eyed crazy rampage massacre a bird in the living room and then look like the cutest and most innocent animal on the planet yet meow so fooled again thinking the dog likes me fooled again thinking the dog likes me or hide head under blanket so no one can see.
